LIFETIME ACHIEVEMENT AWARD APPLICATION

NOMINEE: _____

NOMINATED BY: _____

You have been nominated to receive the distinguished National Pigeon Association Lifetime Achievement Award, as high honor that may be conferred on any pigeon fancier.

PURPOSE:

The purpose or intent of this award is to recognize those individuals who have made an extra ordinary contribution to the breeding and promotion of fancy, flying or utility pigeons. This award in many ways, will parallel the guidelines of the NPA Hall of Fame award but will be open to those who may have made significant contributions to the pigeon hobby but the activity may not specifically have been related to the N.P.A. In other words the NPA realizes that any positive pigeon promotion helps the whole pigeon hobby as well as the NPA.

GUIDELINES:

Any person, to be eligible for this award, must have bred and exhibited standard-bred pigeons for 25 years or more, been a member in good standing for 25 years or more of any reputable club, and rendered valuable service on behalf of the pigeon fancy. Basically, the number of years an individual has been breeding pigeons and the services rendered that have aided in the promotion and betterment of the pigeon fraternity shall be considered most important.

Not more than four Lifetime Achievement Awards shall be made in any one calendar year and, if worthy candidates are not available, no Lifetime Achievement Awards are to be made.

If you are interested in receiving this Lifetime Achievement Award, to be presented at the forthcoming NPA Convention and Show, please answer the ten questions on the reverse of this application and include any other information that you think qualifies you for this high honor. Use a separate sheet of paper to record the answers to the questions and number your answers to correspond with these questions.

The information is important, as your reply to each question will be allotted from 1 to a possible 10 points and serve as the basis of the committee's recommendation to the Board of Directors for granting this award. Seventy-five (75) points or more are required for this award.

Please return this questionnaire with the information requested to NPA Co-Secretaries, Stephen & Noelle St. Clair, 1717 SE 43rd Terrace, Topeka, KS 66609-1728, **Prior to October 1st**, in order to be considered this year.
